SEMESTER 1 VOLUME 1 2024 - 2025

## STUDENT COUNCIL

**VISION**

EIS empowers the hearts and minds of students by fostering educational excellence and emotional well-being.

**MISSION**

We promote students' achievement and prepare them to become lifelong learners, equipped with 21st-century skills, optimum knowledge, and Qatari values.

**VALUES**

Respect - Responsibility - Communication  
Excellence in Teaching and Learning

The Student Council elections at Elite International School were held online, allowing students from Grades 4 to 9, as well as teachers and administrators, to vote for their leaders. The excitement peaked as the results were announced during the morning assembly, where the newly elected members received their Student Council badges. This moment marked the beginning of their leadership journey, and we wish them all the best as they embark on this important role. We are confident that they will rise to the occasion, make responsible decisions, and lead with integrity successfully throughout their term.

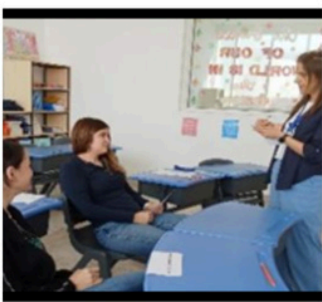

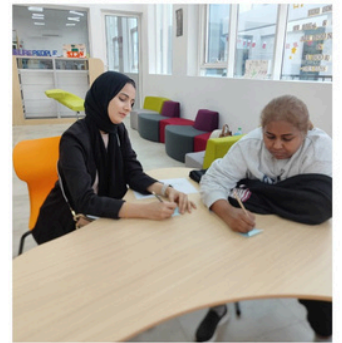

Good luck to all of them!

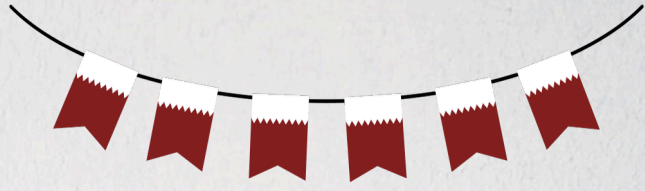

# DEPARTMENT WORKSHOPS

TEACHING IS A GREAT WAY TO KEEP LEARNING!

Throughout the year, our staff were engaged in a series of workshops to stay abreast with latest updates in education.

# My Values Shape My Identity

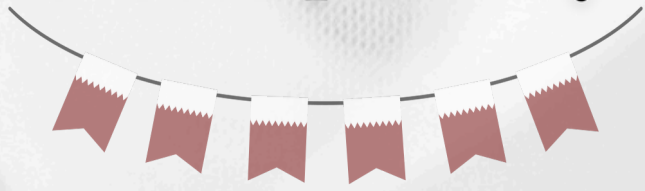

Students learned about family support and safe internet use through lectures, games, and activities such as puppet shows and coloring. They were encouraged to select educational games instead of violent or frightening ones to safeguard their mental and emotional well-being.

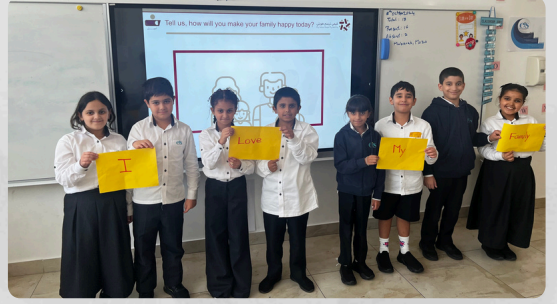

**IDENTITY DEFINED: THE POWER OF MY VALUES!**

# My Values Shape My Identity

EIS believes it is essential for every student to participate in activities that provide a platform for developing teamwork, responsibility, competitiveness, and an appreciation for diversity while also fostering a strong sense of culture and community. These experiences offer students valuable opportunities to apply their academic knowledge in practical, real-world situations.

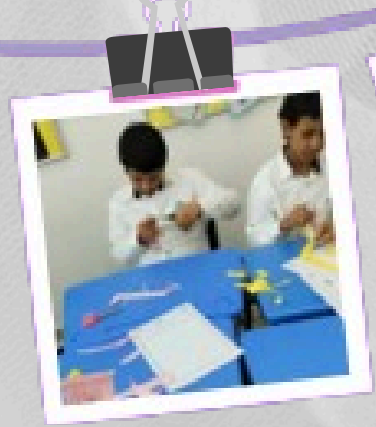

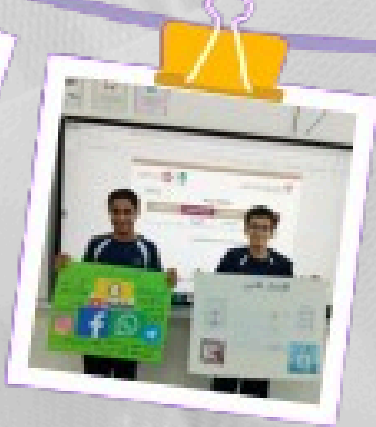

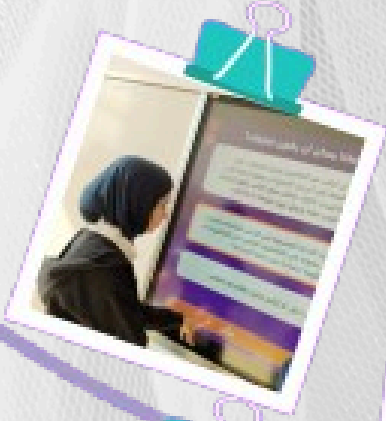

## MORNING ASSEMBLY!

EIS acknowledges the significance of morning assemblies in promoting unity and a strong sense of community among students and teachers. This tradition enhances teamwork, encourages effort, and celebrates excellence, reinforcing the school's dedication to fostering a culture of success.

# قيمي ترسم هويتني

القيم هي المبادئ والأسس التي توجه تصرفاتنا، وتحدد طريقة تعاملنا مع الآخرين، إنها بمثابة البوصلة التي ترشدنا إلى اتخاذ القرارات الصحيحة، وتشكيل رؤيتنا للحياة، فعندما نتحدث عن (قيمي ترسم هويتني) فإننا نعني أن القيم الشخصية هي ما تجعلنا فريدين ومتميزين، فهي تعبر عن شخصياتنا، وأولوياتنا، وتصرفاتنا، فعندما نتبنى هذه القيم ونتصرف وفقاً لها، فإننا نرسم صورة واضحة لهويتنا، ونظهر للعالم من نحن، وما نمثله.

## ENGLISH DEPARTMENT

EMBARKING ON LITERARY EXPLORATIONS: A SEMESTER OF ENGLISH MARVELS

The students of English displayed remarkable enthusiasm and potential as they participated in a variety of engaging learning activities. Through group discussions, creative writing sessions, interactive language games and spelling bee competitions, they embraced the joy of exploring the nuances of the English language. Each activity offered a unique platform for practicing language skills while fostering collaboration and critical thinking. From crafting imaginative stories to engaging in spirited debates, the students showcased a deep appreciation for the language and an eagerness to learn.

Students embarked on an interactive journey through English grammar, engaging in activities such as distinguishing between verbs and nouns and mastering adverbs. With relatable characters and creative settings, the experience was both fun and educational. For instance, at Cassia's Ice Cream Shop, they explored grammar concepts while learning how ice cream is made. They also visited the Punctuation Dragon's Lair, a vibrant space where colorful backdrops and iconic characters helped them review punctuation, making grammar practice dynamic and engaging.

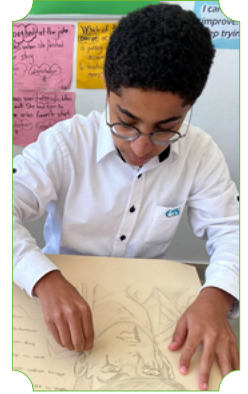

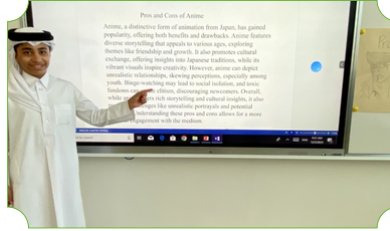

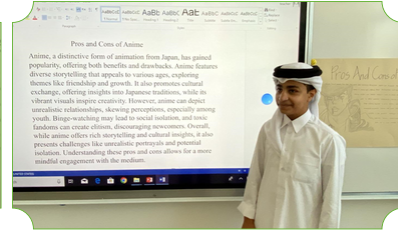

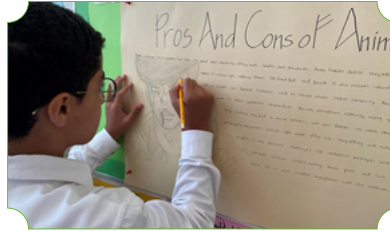

In the Library Media Center (LMC), students have the opportunity to engage in innovative activities, such as using virtual reality (VR) to immerse themselves in interactive reading experiences. They can explore a wide range of books available for borrowing either physically or through our online system, Follett, designed for middle and high school students. This system allows students to browse the library's collection, reserve books, and access resources remotely, making it easier for them to explore and enjoy the library both in-person and virtually.

## GIFTED & TALENTED STUDENTS

Ghanim AL Hazza, a talented grade 9 student showcased remarkable creativity and critical thinking in completing the "Pros and Cons of Anime" activity. His ability to combine artistic skills with analytical writing demonstrates his giftedness and passion for exploring complex topics. By integrating a detailed illustration with a well-thought-out written analysis, he has effectively communicated his understanding of artificial intelligence's impacts. His dedication to producing high-quality work reflects his enthusiasm for learning and his potential for excelling in multidisciplinary projects.

### Spotlight on Gifted Artists in EIS:

We are thrilled to celebrate the exceptional talents of two remarkable young artists in our EIS community: Hussein and Leen, both from Grade 4. Their artistic abilities have not only captivated their peers and teachers but have also highlighted the creativity and dedication that make them truly stand out.

## SOCIAL STUDIES AND QATAR HISTORY

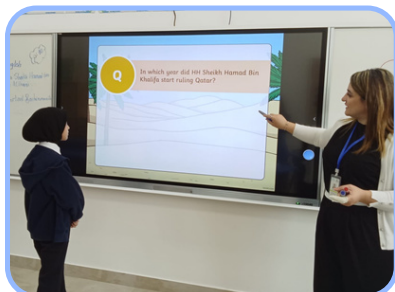

CHARTING THE PATH TO RESPONSIBLE CITIZENSHIP

In Semester 1 Social Studies, students engaged in interactive activities that enhanced their understanding of geography, culture, and responsibilities as global citizens. They explored maps, globes, landforms, and the importance of rules through role-playing, storytelling, and creative projects. Activities included map reading, identifying landmarks, and distinguishing between rural, suburban, and urban areas. Students also celebrated cultural traditions by crafting Batoulahs, designing Native American calendar robes, and creating models of headdresses, and tipis. These hands-on experiences fostered critical thinking, creativity, and appreciation for cultural diversity while building essential social and geographical skills.

Our students participated in hands-on activities that brought Qatar's historical events and cultural heritage to life, fostering a deeper understanding and appreciation of the nation's rich past.

## قسم اللغة العربية

### اللغة العربية مرحلة الروضات:

لغتي لغتي ما أحلاها لغتي العربية.

لغتي وأفخر إذا بليت بحبها فهي الجمال وفصلها التبيان عربية لا شك أن بيانها متبسم في ثغره القرآن. براعم صغيرة تتفتح لتتعرف على الحروف الهجائية بأنشطة ومهارات متنوعة إضافة للقيم الهادفة والبناءة.

اللغة العربية

### اللغة العربية المرحلة الابتدائية:

أنا البحرُ في أحشائه الدُّرُّ كامنٌ      فَهَلْ سَأَلُوا الْغَوَاصَّ عَن صَدَفَاتِي

اللغة العربية هي عنوان حضارتنا، ويجب علينا أن نعتز ونفخر بها، فلا لغة تضاهيها أو تماثلها، فهي غنية بالمفردات بليغة في التعبير، قويّة في الوصف، وقد قام طلاب مدرسة النخبة بتنفيذ العديد من الأنشطة التي تتضمن المعارف التي تم اكتسابها وتعلمها.

### اللغة العربية المرحلة الإعدادية:

لغة إذا وقعت على أسماعنا      كانت لنا بردًا على الأكباد  
وتظل رابطةً تؤلف بيننا      فهي الرجاء لناطي بالضاد

تحتل اللغة العربية مكانةً عظيمةً فهي لغة القرآن الكريم، مما يمنحها قداسةً خاصةً لدى أكثر من مليار مسلم حول العالم، ومن هذا المنطلق فقد قام طلاب مدرسة النخبة العالمية بأداء العديد من الأنشطة الجماعية والفردية الخاصة بتعزيز اللغة العربية.

## التربية الإسلامية - تاريخ قطر "الإسلام ديننا والحضارة العربية هو يتنا"

مرحلة الروضات والمرحلة الابتدائية: براعم تفتتح على حب الله تعالى و حب كتابه الكريم وتقتدي بسنة رسوله ﷺ الذي علمنا الآداب والأخلاق الإسلامية العظيمة، وقد قام طلابنا الأعزاء بحفظ العديد من السور القرآنية القصيرة وقاموا بتريديها، كما قاموا بالتعرف على كيفية أداء الصلوات الخمس، وقاموا بتطبيقها عملياً داخل الصف.

التربية الإسلامية المرحلة الإعدادية: التربية الإسلامية هي أساس بناء الفرد الصالح والمجتمع القوي المتماسك، فهي تهدف إلى غرس القيم الأخلاقية والروحية في نفوس الطلاب، وتعليمهم منهج الحياة القائم على الإيمان والعمل الصالح، كما تهدف إلى توجيه الطلاب إلى فهم دينهم، وتعميق صلواتهم بربهم وتنمية أخلاقهم وسلوكهم ليكونوا نافعين لأنفسهم وأسرهم ومجتمعاتهم. وانطلاقاً من هذا المبدأ فقد قام طلاب مدرسة النخبة العالمية بأداء صلاة الاستسقاء، كما قاموا بالعديد من الأنشطة الصفية الأخرى.

تاريخ قطر : يهدف منهج تاريخ قطر إلى تعزيز فهم الطلاب لتاريخ وطنهم وتراثه الثقافي، مع ترسيخ قيم الانتماء والهوية الوطنية، ويُقدّم منهج تاريخ قطر بطريقة تربط بين الماضي والحاضر، مما يتيح للطلاب استيعاب الأحداث التاريخية التي أسهمت في تشكيل دولة قطر كدولة مستقلة ذات سيادة، وانطلاقاً مما سبق فقد قام طلاب مدرسة النخبة بتنفيذ العديد من الأنشطة التعليمية التي تتنوع فيها الاستراتيجيات وطرق التعليم للارتقاء بالمستوى التعليمي، وإتاحة الفرصة للجميع للحصول على تعليم متميز.

## ELITE SCIENTISTS

EXPLORING THE WONDERS OF SCIENCE: A JOURNEY OF CURIOSITY AND DISCOVERY.

The Science Department has been bustling with hands-on activities, interdisciplinary learning, and global awareness events, fostering curiosity and a love for science among students of all ages.

Students actively participated in events like World Diabetes Day, learning about diabetes prevention, management, and its impact on global health.

Through creative activities such as coloring and discussions, they gained a deeper understanding of the challenges faced by individuals living with diabetes. Similarly, World Cotton Day was marked with engaging projects, including crafting a cotton shoe, highlighting the importance of cotton as a global commodity and the need for sustainable agricultural practices.

Practical learning took center stage as students explored the wonders of science through planting activities, where they discovered irrigation techniques and observed seed sprouting. Lab visits introduced safety rules and engaging experiments, such as heating demonstrations that showcased how heat transforms matter, like ice melting into water or wax transitioning from solid to liquid.

Artistic and engineering projects provided an outlet for creativity and problem-solving. Students used spaghetti and marshmallows to construct and compare building models, reinforcing structural engineering concepts. Meanwhile, interactive activities like matching vocabulary words with definitions and online games encouraged critical thinking and made scientific concepts more accessible and enjoyable.

By delving into scientific books and topics that bridge biology, ecology, and environmental science, students connected the dots between disciplines, exploring how plants, animals, and humans interact with their environments.

These activities deepened students' understanding of scientific concepts while emphasizing global awareness, critical thinking, and creativity, equipping them with skills to explore and innovate.

## Elite Artists

UNLEASHING CREATIVITY THROUGH ART EXPLORATION!

As part of a UNESCO initiative, students worked on a project about the parrot, a beautiful symbol of Brazil, exploring its diverse range of colors. In art class, they created vibrant posters on bullying, combining beautiful colors and creative slogans to support the school's anti-bullying campaign. Their collaborative efforts are displayed in the corridors as a constant reminder of the issue. Additionally, students are honing their artistic skills by using patterns and coloring techniques to establish repetition and visual structure, while also applying perspective rules to create and color stunning landscapes.

## P. E. DEPARTMENT

REVITALIZING MORNINGS WITH ENERGIZING WARM-UPS!

At EIS, physical education combines theory and practice, teaching students about body systems, healthy lifestyles, and the rules of sports like football, basketball, and volleyball. With energy and teamwork at the core, students develop motor skills, sportsmanship, and respect, fostering lifelong learning on and off the field.

EIS students took the field with unmatched energy and determination, delivering a thrilling performance filled with stunning goals, relentless defense, and true sportsmanship. Their passion, teamwork, and grit made us proud to wear the EIS badge.

# DEPARTMENT ACTIVITIES

## MATH DEPARTMENT

STEP INTO THE MATHEMATICAL REALM

The Math Department provides a dynamic learning environment with hands-on activities like Teachers' Day and Qatar National Identity celebrations, blending math with cultural themes. These activities build future skills, enhance understanding, and promote creativity, collaboration, and critical thinking, preparing students for academic and real-world success.

## FRENCH DEPARTMENT

Nos élèves prennent plaisir à apprendre le français grâce à des méthodes d'enseignement actives et motivantes.

Les élèves ont activement participé à des projets en lien avec la journée internationale pour la protection de l'éducation.

Les élèves ont eu l'opportunité de découvrir la France à travers le projet de l'UNESCO.

## ICT DEPARTMENT

HEART OF INNOVATION AND CONNECTIVITY

At EIS, the ICT Department is pivotal in shaping students' futures by introducing them to the transformative power of technology. Our curriculum goes beyond technical skills, emphasizing creativity, problem-solving, and collaboration to prepare students for the challenges of an ever-evolving digital world. This term, students explored real-world applications of technology, delving into programming basics and cybersecurity principles while fostering critical thinking and ethical responsibility.

We also celebrated several meaningful events that enriched our curriculum. The UNESCO Project on Intercultural Learning, Peace, and Human Rights encouraged students to leverage technology for global understanding. During the Hour of Code, learners engaged with programming fundamentals, and Audiovisual Heritage Day emphasized the importance of preserving digital cultural records. These events showcased the diverse ways technology connects us to the world and inspires innovation.

**YOU CAN DO IT!**

# EARLY CHILDHOOD

“NURTURE THE ROOTS AND WATCH THE FUTURE BLOOM WITH THE BOUNDLESS POTENTIAL OF OUR LITTLEST LEARNERS”

At Elite International School, we believe that early childhood education lays the foundation for a lifetime of learning and growth. To build a strong foundation for our students, we are keen to promote activities that incorporate countless opportunities to nurture curiosity, creativity, and social skills. Smiling faces in early childhood classrooms reflect students actively participating in engaging learning and creative activities, fostering skills for lifelong learning.

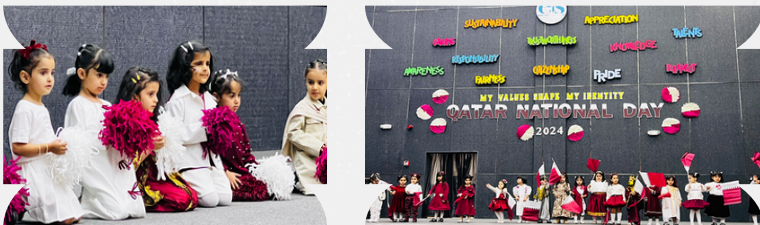

During the first semester, events like World Food Day, World Tourism Day, and Save Education from Attack Day provided students with opportunities to explore global themes through engaging activities. They learned about healthy eating, explored diverse cultures and landmarks through virtual journeys, and emphasized the importance of safe learning environments. These celebrations enriched their understanding of the world while fostering values of gratitude, curiosity, and global awareness.

## QATAR NATIONAL DAY

Students took pride in celebrating Qatar National Day with enthusiasm and creativity. Activities such as poster-making, stage performances, face painting and coloring were organized to engage students and showcase their talents. These activities not only highlighted the cultural significance of the day but also fostered a sense of unity, patriotism, and pride among the participants.

## REWARDING STUDENTS

We take pride in celebrating our young learners' achievements and positive qualities through rewards such as Star of the Week, Class Dojo points, behavior charts, Principal of the Day, and academic and behavior awards.

We are excited for...  
**Qatar National Sports Day**  
on 11th February 2025  
**EIS Sports Day**  
on 18th February 2025

A variety of activities are  
on the way - stay tuned!
